

Surrey Beekeeping Association Members Nov 2020

It has not been possible to get the details for last year from ER2 so the information has been taken from a locally held record of all members which was made in January 2020.

In spite of the difficulties caused by the Pandemic our membership numbers have increased.

Most Divisions are becoming familiar with ER2 although it is still creating much more work for us than our previous systems did.

With luck, as we become competent with the on line renewal arrangements the work load will slowly diminish
